ABOUT US!

My name is Shawna, owner and designer of Shawna Cheeseboards . Based in Reno NV, Shawna Cheeseboards was born from my passion for hosting, creating and styling all things food. I have always admired the way in which food yields comfort and brings us together- in times of happiness, celebration, ceremony and loss. I believe that meals are enjoyed best when designed to share with family and friends. My goal is to add beauty and personal touch to your next gathering, while connecting your guests over a spread filled to the brim with deliciousness.
